

Transitions for MobileMe Services

MobileMe services are good until 06/30/2012. iCloud services require Mac OS 10.7.2 (Lion) and iOS 5.

Transitions to Mac OS 10.7 (Lion) Services

Lion requires a Mac with an Intel Core 2 Duo, i3, i5, i7 or Xeon processor. It also requires 2GB of RAM to run. In order to get to Lion, you have to be running Snow Leopard version 10.6.6. or higher.

Affected Software	Contingency	Alternate Services
Rosetta Programs		
AppleWorks	Dual boot in Snow Leopard	Pages, Numbers, Bento
Quicken 2007	Quicken Essentials for Mac	iBank 4, Moneywell, Moneydance
FileMaker Pro 6, 8	FileMaker Pro 9-11	?
Adobe CS1	Adobe CS2, 3, 4	?
Microsoft Office 2004	Microsoft Office 2008, 2011	LibreOffice, Pages, Numbers, Keynote
Front Row	Apple TV	AirPlay
