OMUG is run entirely by volunteers. Would you be willing to help out in any way?

What is your main interest in joining OMUG, and how can we best serve you?

How did you hear about OMUG?

General Club Information

The Ocala Macintosh User Group meets at St. George's Anglican Cathedral Parish Hall, 5646 SE 28th St, Ocala, FL. on the second Tuesday of each month @ 7:00 PM.

Our purpose is to promote and support interest in the Macintosh computer. The experience of the group ranges from those who have just recently become Mac users to those who have been users from Mac's beginning.

Our General Meetings are designed to keep us up-to-the-minute with what's going on in the Mac world, a presentation on a topic of general interest, Q & A time so you can ask experts, a 50/50 raffle, and of course light refreshments.

Our Newsletter is posted on the website each month along with current news, information, technical tips and more.
